

Create a 2-minute Video

15 sec = Introduction

- Who am I
- Where am I
- What content & grade level do I teach

45 sec = Tip

- Share 1 tip for a new teacher to your community (tie to a standard, if possible)... maybe share your favorite lesson or a great resource you use.

45 sec = Best Story / Experience

- Pro/Con (Please keep it appropriate and remember others from your community & staff may see this). Choose something that shows the uniqueness of the community. Why is this different than teaching in other states?

15 sec = Final advice for future teachers

Submit it to www.schooltube.com

Every teacher can get a free account, and this platform has been approved by the State for sharing. You can also put the link onto ASTE's IditaMovie contest (www.aste.org) to be considered for prizes!
